Bingham County Weed Control

WORKING TOGETHER TO PRESERVE OUR LOCAL RESOURCES

Noxious Weed PUNCTUREVINE

Weed Control

Normally the first and most important form of weed control is:

Identification and Prevention.

Next is IM or Integrated Pest Management

Make a plan. What is the best control and what works best in your environment?

- Mechanical: Cultivating, Weed Pulling, Mowing, etc.
- Cultural: Establish Desirables, Burning.
- Biocontrol: Bugs, Grazing(livestock).
- Chemical

*Control Noxious Weeds-
Its Everyone's Problem*

*Noxious Weeds create a
devastating impact on the
Environment and our
potential local economic
threshold.*

*Working together to
Create a better
environment in Bingham
County*

What is the Bingham County Weed Control doing?

- Roadside spraying (1228 miles)
- Roadside mowing
- Research
- Biocontrol
- Education forums
- And much more

All Land Owners or Managers

Idaho Noxious Weed Law:

Section 22-2405, Idaho Code, to every person who owns or controls land in Bingham County, Idaho that noxious weeds standing, being, or growing on such land shall be destroyed or eradicated by effective cutting, tillage, cropping, pasturing, or treating with chemicals or other effective methods or combination thereof, as often as may be required to prevent the weed from blooming and maturing seeds, or spreading by root, root stalks or other means.

Upon failure to observe this notice the County Weed Superintendent is required to proceed pursuant to the law and have weeds destroyed by such method as he finds necessary, the expense of which shall constitute a lien and be entered as a tax against the land and be collected as other real estate taxes are collected or by other means as provided by law.

Check out our Web site at binghamcounty.org, click on Weed Department. There is a list of, **Idaho Noxious Weeds** and how to identify your weed.
